Fall 2001

Schedule Sheet

Staffed lab hours will be scheduled for extra help with your robots. Please fill out your schedule on the sheet below so that I can find the times that fit most people's schedules. (I am planning to schedule a staffed hours on at least two different days, and I will try to make sure that one of the available times fits each person's schedule.)

Please return this form to Prof. Costello before leaving the room today.
