Class Schedule for the Remainder of the Term

As you've noticed, we've slipped a bit off of the very ambitious schedule that I laid out before classes started. Here's the plan for the remainder of the term:

T	11/20	Lecture: Multi-agents	Murphy, Chap 8
Th	11/22	Thanksgiving	
T	11/27	Lab: Sonars, Advanced Sensing	Martin, Chap 6
Th	11/29	Lecture: Control	Martin, Chap 5
T	12/4	Lecture: Path planning overview	parts of Murphy, Chap 9-11
Th	12/6	Lecture: On the horizon	Murphy, Chap 12
T	12/11	Lab: Project presentations
