Assignment 4: Braitenberg Vehicles

Out: Tuesday, 1 October 2019
Due: Tuesday, 8 October 2019, at the start of class

For this assignment, first read Chapters 1-4 of Braitenberg's Vehicles book.

Do you think that Braitenberg's method really can describe complicated robot behaviors? Why or why not? (No more than 1-2 paragraphs is needed to answer this question for this assignment, although one could write much more on the topic.)
