- Our TA is Zhongli Liu.
  - She grades your homework assignments.
  - Her email address is zliu@cs.uml.edu.
  - Her weekly office hour is on Wednesdays from 2:00 – 3:00 pm and takes place in OS 223. Please note the location.
- In general, we will assemble homework solutions based on the best correct solutions provided by class students. If no one obtains a correct solution, then our TA and Prof. Daniels will supply one. If you would not like any of your correct solutions to be shared with the class, please contact Prof. Daniels and we will respect your preference.
