Botfest 2003 — Registration Information

http://www.cs.uml.edu/k12/botfest/

Botfest 2003 will be held at UMass Lowell in the new Recreation Center on Saturday, 29 March 2003 from 11:00 am to 1:00 pm. The address is 100 Pawtucket Street, Lowell MA 01854. The Recreation Center is next to Lowell’s LeLacheur Park minor league baseball field. Please check the Botfest web site above for driving and parking directions.

You may arrive as early as 9:00 am to register and set up. The Botball tournament will also be held on this date. Seeding rounds will run 10:00 am to noon, and the double elimination tournament will run 1:00 pm to 4:00 pm. You are encouraged to stay to watch the Botball tournament.

Each registered team will be provided with a table (approximately 3’ x 6’) and a power outlet. Bring a power strip if you will need more than one outlet.

If you are planning to put up a poster describing your project, bring appropriate mounting supplies (tape and poster board). Posters will most likely need to be hung from the front of the table.

We also recommend that you make a sign with the name of your school or organization and its town and state. There will be press at this event, and some local papers may want to find people from their coverage areas.

Please complete the registration form and return it to Holly Yanco and Fred Martin at UMass Lowell to register for Botfest 2003. You can fax the form to (978) 934–3551 or e-mail the information to robots@cs.uml.edu.
Botfest 2003 — Registration Form

Please fax this form to Holly Yanco and Fred Martin at (978) 934–3551 or e-mail the information to robots@cs.uml.edu. Your organization, town, state and project description will appear on the Botfest page http://www.cs.uml.edu/k12/botfest. If you provide a URL to a photo of your robot or a description of your project, they will also be on the Botfest web page. All other contact information is for organizational purposes only.

Team leader’s name: ______________________________________________________

If team leader is under 18, adult contact for team: ____________________________
