These hints may be shared with the class via our web site. Acknowledge in writing any hints that you have received. An honor statement must be signed and submitted with each homework assignment. An electronic copy of the honor statement is on the homework part of the course web site. Students are reminded that it is not acceptable to use web solutions in your homework. See Prof. Daniels if you have any questions about our honor policy.
- Please keep a copy of each homework assignment that you submit.
- In general, we will assemble homework solutions based on the best correct solutions provided by class students. If no one obtains a correct solution, then our TA and Prof. Daniels will supply one. If you would not like any of your correct solutions to be shared with the class, please contact Prof. Daniels and we will respect your preference.
