

ASSIGNMENT 6: INTRO TO THE MIC1

READING

Read Chapter 4.1 through 4.3, pages 203–243. This material presents the Mic-1 architecture, explains the IJVM assembly language, discusses translation from Java to the IJVM code, and presents the microprogram implementation that allows the Mic-1 to interpret the IJVM.

ASSIGNMENT

From page 299, prepare written answers to questions 1, 2, 3, 5, 7, 9, and 10.

DUE

The assignment is due Friday, November 8.
